PROFESSIONAL SUMMARY

IT professional with 5 years at Miles Education Pvt Ltd, growing from Network Support to IT Support to Associate – Asset Management, now moving into Workplace Technology. I manage Google Workspace administration, employee onboarding/offboarding and access, L1/L2 helpdesk on Freshservice, Windows setup and hands-on laptop servicing, and the full IT asset lifecycle with vendors. Using AI-assisted development, I built an internal IT Asset & Helpdesk Portal. On freelance projects I set up Google Workspace for 2 businesses and built a complete e-commerce website. I can plan and set up IT for new startups end to end: Google Workspace, devices, asset tracking and helpdesk.

CORE SKILLS

- Workplace Technology & End User Computing
- Google Workspace Administration (Admin Console)
- Email Migration & User Provisioning
- L1/L2 IT Helpdesk – Freshservice / ITSM
- Windows OS Installation & Troubleshooting
- Laptop/Desktop Hardware Servicing
- IT Asset Lifecycle & Inventory Management
- SaaS License & Access Management
- Employee Onboarding/Offboarding
- Vendor Coordination & IT Procurement
- Networking Basics, MS Office 365
- Web Development with AI tools (React, Tailwind, Replit)

WORK EXPERIENCE

Miles Education Pvt Ltd, Bengaluru | Oct 2021 – Present

Associate – Asset Management

Oct 2023 – Present

- Own the IT asset lifecycle: procurement, allocation, inventory and SaaS licence tracking.
- Administer Google Workspace: users, groups, security policies, onboarding/offboarding and email migration.
- Resolve L1/L2 tickets on Freshservice with an SLA focus; Windows setup and hands-on laptop servicing.
- Coordinate with vendors for IT procurement.
- Built an internal IT Asset & Helpdesk Portal using AI-assisted development (see Projects).

IT Support

Oct 2022 – Sep 2023

- Provided L1/L2 support for hardware, software and system issues.
- Installed and configured Windows OS and enterprise applications.
- Troubleshot desktops and laptops for employees and handled service desk tickets.
- Assisted in IT asset tracking and inventory management.

Network Support

Oct 2021 – Sep 2022

- Troubleshot network and connectivity issues for office users.
- Set up desktops and laptops and provided basic hardware support.
- Delivered first-line technical support for staff.

PROJECTS

IT Asset & Helpdesk Portal (Internal Tool, Miles Education) | Jan 2026 – May 2026
Web portal for asset inventory and employee allocation, helpdesk ticketing with status tracking, an admin dashboard and login-based access. Built with AI-assisted development.
Tech: React, TypeScript, Tailwind CSS | Demo: techops-portal.onrender.com | Code: github.com/sheshadri022/techops-demo-portal

Google Workspace Setup for 2 Businesses (Freelance)
Set up Google Workspace end to end: domain verification, business email, user accounts and admin access.

E-commerce Website (Freelance)
Built a complete e-commerce website for a client business using AI tools.

Portfolio Website
sheshadri-portfolio.onrender.com | React, Vite, Tailwind CSS, Framer Motion; deployed on Render.
